### *Paperwork Solutions'* Testimonials:

“I wish *Paperwork Solutions* had been available 25 years ago when I started teaching! It has not only cut down on the amount of paperwork I have to do, but also the amount I have to store. Each time I choose “new record” a template opens and all of the old records are kept on my computer until I delete them.”

— Mrs. Crissy Lambert, Seventh-grade Math Teacher,  
Cranford H. Burns Middle School, Mobile, Alabama

“...Concerning K-12 documentation solutions: *Paperwork Solutions* and *FileMaker Pro* ‘make the perfect marriage!’”

- Dr. Frank Ruckman, Director of Student Teachers  
Cumberland University, Lebanon, Tennessee

“*Paperwork Solutions* impressively fills the gap between manual paperwork and software systems that awkwardly attempt to automate everything. ...Building on the very powerful database FileMaker, this 1-2 punch combo also has custom extensibility to meet specific needs. I highly recommend it!”

- Mr. David Kramer, High School Mathematics Teacher  
Mastbaum AVTS, Philadelphia, Pennsylvania

*"Our immediate reaction to the social studies' [PR] award was that my daughter's hard work was recognized. Having a teacher take the time to create an award with a picture that highlighted her attributes and accomplishments has even established more self-confidence in her as she continues to excel in school. And, of course, the "Student of the Week" award continues to stay on my fridge!"*

- Ms. Cindy Colley, Proud Parent,  
Mobile, Alabama

"In addition to the fantastic real-time attendance data management, *ClassACT* (Independent Study module) is a great way for me to keep track of classes that students have completed and are currently taking."

— Pam McCoy, Instructional Support Technician,  
Alternative Education, Chino Valley USD, Chino, California

“As a future teacher, it is nice to see that *Paperwork Solutions'* programs not only reduce the amount of paperwork that teachers have, but are also user-friendly.”

— Ms. Heather McLaren,  
Teacher Intern, Loganville, Georgia
