Paperwork Solutions’ Testimonials:

“I wish *Paperwork Solutions* had been available 25 years ago when I started teaching! It has not only cut down on the amount of paperwork I have to do, but also the amount I have to store. Each time I choose “new record” a template opens and all of the old records are kept on my computer until I delete them.”

- Mrs. Crissy Lambert, Seventh-grade Math Teacher,
Cranford H. Burns Middle School, Mobile, Alabama

“*Paperwork Solutions* impressively fills the gap between manual paperwork and software systems that awkwardly attempt to automate everything. ...Building on the very powerful database *FileMaker*, this 1-2 punch combo also has custom extensibility to meet specific needs. I highly recommend it!”

- Mr. David Kramer, High School Mathematics Teacher

“Our immediate reaction to the social studies’ [PR] award was that my daughter’s hard work did not go unrecognized. Having a teacher take the time to create an award with a picture that highlighted accomplishments has even established more self-confidence in her as she continues to excel in school. And, of course, the award continues to stay on my fridge!”

- Ms. Cindy Colley, Proud Parent, Mobile, Alabama

“In addition to the fantastic real-time attendance data management, *ClassACT* is a great way for me to keep track of classes that students have completed and are currently taking.”
